

Directions from Barcelona Airport to la Massana and Arinsal.

Leave the airport and follow signs for **LLEIDA**, continue to follow the signs to **LLEIDA** making sure that you stay in exactly the same lane as the sign directs. There are a series of turns and junctions when if you continue to follow signs to **LLEIDA** (about 10 mins so far) you will find then that there signs which indicate two different roads to Lleida – the A2 and the AP2 - you want the **A2** (toll free) however the road doesn't split until about 10 miles out of the airport.

Just keep following **LLEIDA** and make sure that when the road splits (two lanes in each split) **do not** take AP2 (indicated by a small circular red and black peage toll sign) but take the **A2**. Stay on the A2 until junction 545 then leave the A2 and turn right onto the C1412 signposted **Ponts & Andorra**. (Journey time so far about 40 minutes.)

From here on Andorra is clearly signposted, (Approx. journey time to Ponts 1hr. 15 mins.) Follow signs for **La Seu d'Urgell** and **Andorra**. At a roundabout in La Seu d'Urgell you turn left, clearly signposted for **Andorra**, and you are about 10km. from the border. (Approx. journey time to border 2hrs. 15 mins.)

Once in Andorra follow the main road you are on and signs for Andorra la Vella and then Centre Vila and you will pick up signs to **La Massana** and **Ordino**.

Follow these signs and drive through La Massana on the main road and at the one way system by the cable car fork left, signposted **Arinsal**.
